SMMIB Student Poster Award Certificate

On behalf of the International Committee, I, Yoshio Okabe, Chair of the 16th International Conference of Surface Modification of Materials by Ion Beams -SMMIB2009-, certify that SMMIB Student Poster Award has been offered to

Ms. **Ako Miyawaki** of Nagoya Institute of Technology

for the poster entitled

“Fabrication of Ge nanoneedles by ion-irradiation method”

presented at the SMMIB2009 Conference held in Odaiba, Tokyo, Japan from 13th to 18th September, 2009.

The award has been attributed for the scientific quality, structure and organization of poster presentation.

September 17, 2009

A handwritten signature in black ink, which appears to read 'Yoshio Okabe', is written in a cursive style.

Yoshio OKABE
SMMIB2009 Chairman
